 - Many cities in Washington elect all of their councilmembers at-large (each councilmember elected by and representing the whole city)
 - Other cities have chosen to establish wards or districts, in which some or all of the councilmembers are elected by and represent specific geographic areas of the city.
 - City Council districts were approved by Everett voters in Nov. 2018.
 - Voters selected a total of five districts and two at-large positions.
 - The City Council adopted District [Plan Map A-9](#) on October 19, 2020.
 - *Positions 1-5 will eventually become the district positions.*
 - *Positions 6-7 will eventually become the at-large positions.*
 - *2021 will be the first election by district. Candidates can run for 4-year terms in positions 1-5, representing the new districts.*
